Further Information - Free Early Education Funding

Dear Parents

As you are now aware GSC Preschool offer the 30 hour funded places for working parents. Included in your membership pack is a brochure called 'childcare choices' which will give you more comprehensive information .

I just wanted to reiterate the need for you to check your eligibility on a termly basis via:

www.childcarechoices.gov.uk

It is important to check your eligibility in good time, do not run the risk of missing the 'cut-off' dates. To check your eligibility, you will need a government gateway account which , if you have not already acquired one, may take up to two weeks to activate. If you are eligible for the funding, you will receive a unique reference number which you will need when preschool ask you to complete your 'Parental Statement of undertaking' form. This form, in effect is how you apply (through preschool) for your free funding. You will be asked to complete one of these forms termly. Please do not presume that preschool will automatically know about your individual funding status.

I hope this snippet of information has helped.

Can I also ask you to read the Early Years Premium leaflet as we cannot apply for this for you child without your permission – the application details are also on the 'Parental Statement of undertaking' form.

Staff are always there to help

Thank you for your continued support

Kind Regards

Linda Dunmore

Manager
