### Forest School at Preschool

Forest School sessions are now on a Thursday morning, as well as our usual Friday mornings. You will all receive your forest school letters early next term, stating which session your child will be attending, as we have several children now attending forest school.

Please help staff by bringing your child in their forest school clothes. If for any reason this is not possible, we ask you to change your child in the kitchen area. This enables staff to safeguard children already in the setting by safely being able to monitor the entrance, thank you.
